We want to send you a special note of thanks for your continued support of the Bow Foundation and our mission to build a better tomorrow for GNAO1 patients and their families.

In 2021, we:

- **FUNDED** an additional **$350,000** in cutting edge GNAO1 research. Read more about these exciting projects here.
- **PREPARED** and distributed the first GNAO1 Informational Guide to serve as a formal resource for families, their medical, therapy and school teams.
- **ENHANCED** GNAO1 awareness with our third annual GNAO1 International Awareness Day on October 1, 2021.
- **SAW** new GNAO1 research papers published - expanding our collective knowledge of GNAO1.
- **CONNECTED** with other families virtually when we can’t see each other in person.
- **BEGAN** planning our next in person conference and research clinic in 2022.

Thank you again for your past support of our mission. We’re looking forward to 2022 and know that none of this would be possible without support from people like you. Thank you for believing in our mission!

Sincerely,
The Bow Foundation Team

Other great things we saw and did in 2021:

- Hosted Zoom meetings connecting GNAO1 families around the world to discuss important topics.
- Participated and led meetings with our GNAO1 worldwide colleagues and other collaborators.
- Shared resources and articles published with families by the Bow Foundation grantees.

Our success in 2021 would not be possible without donors like you. Thank you for your contributions to GNAO1 research and awareness. Support The Bow Foundation by visiting our website www.gnao1.org
